

The background features a series of concentric circles in light gray, some solid and some dashed, creating a ripple effect. A large red shape, resembling a speech bubble or a downward-pointing arrow, is centered on the page. It consists of a wide rectangular top section and a narrower rectangular bottom section that tapers to a point.

HCOP

Health Careers Opportunity Program

Purpose

- Increase College success and Encourage students to participate in health care fields
- Help underrepresented students get into health professions school, hopefully increasing the number of health care providers in underserved WV communities
- Criteria
 - URM
 - Financially Disadvantaged
 - First Generation College
 - Rural
- All participants must be US citizens and WV residents
- PAID programs to help students attend

Happen and Guide

- **Happen**
 - Incoming Freshmen
 - 3 week introduction to college
 - Includes WVU course in Math or Chemistry
- **Guide**
 - College students preparing to apply to Medical, Dental, Other Health Professions' schools
 - 1 week training for application process and requirements
 - Includes

HAPPEN Summer Program

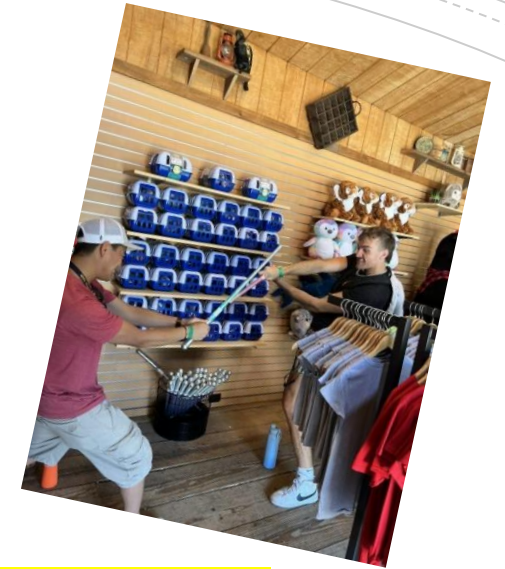

- 3 Week Program in July
 - Dates July 9-28, 2024
 - **Paid** instructional jump start to college
- Free 3 week Course in Math or Chemistry
 - Small classes
 - Extra Help from Instructors
 - Tutoring from a peer mentors
- College Prep
- Live together in fun supportive atmosphere
- Weekend and evening adventures!

Graduating Seniors

- Graduating this spring starting college in fall of 2023
- Classes are at WVU, but you do not need to be going to WVU in the fall
- Will not affect Fall enrollment

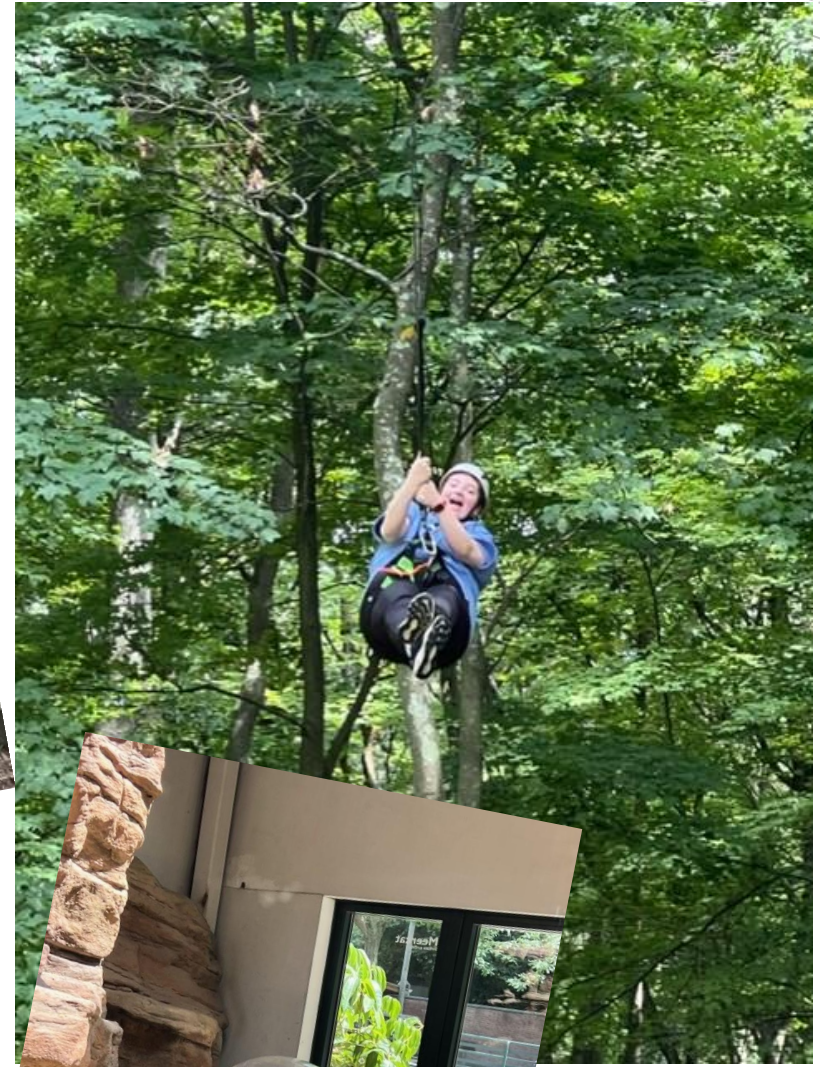

What's the catch?

- You must be present and attentive for all classes, tutoring sessions and events
- This is a JOB. You are being paid to attend and to learn
 - This must be your only job and be a priority during these 3 weeks
 - This is an all day program
 - DO NOT schedule other activities or
- You must pass your course with a C or Better

Did I mention
Adventure!

Extra benefits

- Get a jumpstart on how college works
- Everything is paid for
 - Books, calculators, programs
- Network to help you succeed
 - Staff, mentors, friends and faculty
 - Tutoring
 - Recommendation letters
- Guide Program
- Possible summer job possibilities in the future
 - HSTA Mentor
 - HCOP Mentor
 - Office Worker
