STUDENT PROGRAMMING

- Programming for Current Students
 - Free and subsidized options with the intent of offering healthy alternatives helping retention, community, and belongingness
 - 50% of Adventure WV programs
 - Program options include: Skiing, rafting, rock climbing, backpacking, zip-lining and high rope aerial adventures
 - Student groups and organizations can also receive a 50% subsidization on group events. Free programs are also available through Campus Rec and Adventure WV
 - Groups can contact representatives with Campus Rec and Adventure WV to either select a pre-scheduled event – or custom create a program.

FACULTY/STAFF OFFERINGS
